

## Complete Your FAFSA!

The FAFSA is important... **very important!** Every day you put off completing the Free Application for Federal Student Aid (FAFSA) could cost you money for college.

To be eligible for federal and state aid and certain grants and scholarships, you must complete the FAFSA as soon as it becomes available and each year you need money for college.

Visit [FAFSA.gov](https://fafsa.gov), the official FAFSA website, to get started. Have questions about completing the FAFSA? Visit us at [StartWithFAFSA.org](https://startwithfafsa.org) or contact a local college campus Financial Aid office. For more information about college planning and scholarships, call us or visit our website, [UCanGo2.org](https://ucango2.org).
