

Let's Go to College: School Spirit (2nd & 3rd Grade)

You'll have many opportunities in college to have fun and take part in lots of interesting activities. One way to discover something you might enjoy is by joining a club. Most colleges have a variety of clubs to choose from like the Drama Club, Art Club and Science Club. Joining a club is another way to show school spirit. It lets others know you're proud to be a student at your school.
