

Let's Go to College: School Success (Kindergarten-1st Grade)

Preparing for school early allows you to gather all the materials you need to be successful in your class. You can get things ready in advance by putting your school supplies in your backpack, packing your lunch for the next day and setting out your clothes the night before. Practicing these habits will also prepare you for college. As you learn the basics of going to school, having the right supplies, being on your best behavior and making sure your homework is complete, you will gain the great skills you need to do excellent work in college.

School Supplies

Instructions: The items below were found in Tim's backpack. Circle the items he needs in his backpack for school and put an "X" on the items that are not for school.

Behavior Counts

Instructions: Read the sentences below and decide if that student's behavior should receive a gold star. Put a "Y" if the student should receive a gold star or an "N" if the student should not receive a gold star.

1. Michael helped Mrs. Jones clean up. _____
2. Bryan cut in line. _____
3. Candace shared her pencil. _____
4. Dillon helped Sara pick up the crayons. _____
5. Madison did not clean up her puzzle. _____
6. Ellie held the door open for others. _____
7. Adam talked while the teacher was talking. _____
8. Shayla ran with scissors. _____

Let's Go to College: School Success (K-1A) ANSWER KEY
