I'll be the first person in my family to go to college.	I want to go to a four-year university.	I plan to take college-level classes in high school.	I want to attend a two-year school.	My parent(s) went to college.
I've already applied for a few scholarships.	I've talked to my family about my college plans.	I want to go to a college that's close to home.	I've already chosen my college major.	I know about the FAFSA.
My brother or sister is currently in college.	I want to join a club in college.	 <small>WITHIN REACH... WITHIN YOU</small> FREE SPACE	I've developed a career plan.	Someone I know graduated from the college I plan to attend.
I want to live on a college campus.	I'll probably work part-time while I'm in college.	I've taken a college campus tour.	I want to attend school far away from home.	I'm looking forward to dorm life.
My friends and I plan to attend the same school.	I want to attend a career technology school.	I want to live off-campus in an apartment or house.	I'd like to play college sports.	I've researched college entrance requirements.
