

Don't Go It Alone.

Need money for college? Completing the **Free Application for Federal Student Aid (FAFSA)** is an important process; if you have questions or doubts, you don't have to tackle it on your own.

Contact a local campus Financial Aid office—**an aid administrator can answer your questions** and assist you and your parents in completing the form. You don't want to miss out on financial aid you might qualify for, so it's best to complete the FAFSA as soon as possible **after Jan. 1 of your senior year.**

Visit FAFSA.gov, the official FAFSA website, to get started. For more information about college planning, call us or visit our website, UCanGo2.org.
