## <Organization Name> Hosted College Preview Day for Local High School Students

<Organization Name> held a College Preview Day on <day, date and time> for local juniors and seniors. The event, which was held at <location>, helped students learn how to apply for college and become familiar with a college campus.

During the event, students went on a peer-guided tour highlighting important campus offices, such as financial aid and admission, as well as the student union, campus bookstore and library. In addition to visiting a college class in progress, students also learned about filling out the Free Application for Federal Student Aid (FAFSA) and preparing for college.

“College Preview Day was a great opportunity for the students of our community to learn what <college name> offers and get great tips on what to expect during the application process and beyond,” said <name>, < title> for <organization name>.
