

## Let's Go to College: School Spirit (2nd & 3rd Grade)

You'll have many opportunities in college to have fun and take part in lots of interesting activities. One way to discover something you might enjoy is by joining a club. Most colleges have a variety of clubs to choose from like the Drama Club, Art Club and Science Club. Joining a club is another way to show school spirit. It lets others know you're proud to be a student at your school.

### Create a Motto

Instructions: Many colleges have a favorite saying or phrase that expresses the belief of the school, called a motto. This saying is the belief of the school, called a motto. Create a motto on the flag below for the college you want to attend.

#### EXAMPLE
