

## Let's Go to College: Career Discovery (4th & 5th Grade)

Learning what a person does in their job can help you see if it's interesting to you.  
Using the first example for reference, pick your own career and fill in the boxes.

<p><b>Definition:</b> Construction managers create plans to build or restore all types of buildings.</p>	<p><b>Daily Tasks:</b> Draw plans for new buildings. Check on others to see their work.</p>
<p><b>Construction Manager</b></p>	
<p><b>Work Tools:</b> Pencils and Rulers Drawing Paper Power Tools Computer</p>	<p><b>Examples:</b> The person who built your school. Someone building homes in your neighborhood. Jerry's mom who owns a construction company.</p>

<p><b>Definition:</b></p>	<p><b>Daily Tasks:</b></p>
